Re-value:

Discover and treasure what is most valuable in your setting.

Re-evaluate

Ask why you worship the way you do and what could be different.

Re-new

Look outside your tradition and learn fresh ways of doing things.

Re-invigorate

Explore new ways to offer the gift of yourself to God.

Re-invent

Understand how to move beyond the issues of style in worship.

Re-connect

Share with and listen to others who lead and design worship each week.

Transformational

Worship is the primary tool God has given us for personal and church-wide transformation.

Active

Worship is a verb! It is what the gathered people of God have come to do for God.

Public

We invite, encourage and welcome others to attend. Worship must impact, inspire and engage modern culture.
