Comments from our Girls

"I had a really fun time when I went to the AB Girls conference. The whole time we had things to do we weren't bored at all!! We got to make all kinds of crafts, watch movies, do a dance for the women, and have fun meeting new girls. We had a really good group of girls this year, and I

am definitely coming back next year, and I hope you do too! -Marissa R."

"It was a lot of fun. I just wished that we had more time together. I was not able to really get to know a lot of the girls. -Kaila Johnson"

Conference 2009

We made it through Conference and had a wonderful experience with our girls this year. Ten girls arrived at Heartland and were eager to get started with our plans. First, they were given a backpack, water bottle and their own personal size pound cake.

They kicked off the event by carrying the flags for the opening ceremony and reading of the litany. The girls then gathered in their own area for Bible Study, crafts and the performing arts. As our mission project this year we made "Buckeye Angels" for every lady who came to the retreat. One hundred and forty total.

Just before the Bible Study time which was led by Sis. Mildred Thomas, each girl decorated a journal in which to keep notes. We also made a "Witness Cube" which the girls will be able to use to witness to their

peers. We spent time on the grounds of Heartland taking pictures for the photo album which the girls made.

The girls had fellowship time with the women during meal times. Sis. Stephanie Brock spent the afternoon teaching the girls a "miming presentation" which the girls performed on Thursday night. They even learned how to paint their faces for the presentation. Following the performance we gathered in our lodge and put together a scrapbook, made cards and watched a movie.

We also gave away two gifts for the first girls to register for the conference. Next year is the year for National in Ohio and we hope to see twice as many of our Ohio girls at this event. Begin now making arrangements to bring a girl with you to National.
